SPELLS

Lv 0

Spell detection [abjuration]: You can concentrate in a location to know if a spell was casted o a ritual was performed recently.

Sound manipulation [alteration]: You can increase or decrease the volume of the next sound of target object.

Dancing lights [conjuration]: You create up to 4 dancing light bulbs that fly around you. You can choose to place them in a static position. The light fade out if you move too far from them.

Message [divination]: You mentally send a small message to a willing person.

Rouse [enchantment]: You can instantly wake a creature from natural sleep or briefly restore their awareness, shaking off momentary distraction.

Blur [illusion]: You can make a small object blurry and semytransparent. In this way, some traits can be occulted and the object appears as more difficult to see clearly.

Call of the tombs [necromancy]: You can discovered if someone is recently dead in a location by earing the laments of their soul leaving this world.
